Dear Vendor:

The Land Supply Chain has scheduled a Summit in an effort to inform vendors of our upcoming projects for fiscal year 08.

The Land Supply Chain Capability Summit will be held on **November 14, 2007**, in the Building 20 Auditorium at the Defense Supply Center Columbus (<http://www.dscc.dla.mil/>) in Columbus, Ohio, from 9:00 a.m. to 4:00 p.m. The Summit will address the following areas:

- Key Item Driver (KID) Campaign
- Land Supply Chain Project Overview
- Truth in Negotiations Act (TINA)
- Source Development
- Small Business Opportunities
- Customer Perspective

This Capability Summit will provide a forum for our Industrial Base to plan for upcoming opportunities and share ideas with us on specific items where we are having capacity constraints or sourcing challenges.

In addition to the Land Supply Chain Capability Summit, there will be a breakout session from 1:30 to 4:00 for vendors to sit down and talk one on one on acquisition, small business, and quality/tech issues for our fiscal year 08 projects. If you would like to attend this Summit, please RSVP by **November 9, 2007**, using the e-mail address: [DSCC.LSC.CAP.dla.mil](mailto:DSCC.LSC.CAP.dla.mil) or go to <http://www.dscc.dla.mil/programs/scs/index.html> for registration.

Sincerely,

  
IVAN K. HALL  
Deputy Director, Land Directorate  
of Supplier Operations
